We'll Assembly It For You!

At BEST ASSEMBLY PTY LTD, we are committed to providing excellent services without causing inconvenience to your daily routine or operation. Our professionals work with minimal disruption while delivering a final product that exceeds your expectations.

BEST ASSEMBLY PTY LTD has over 8 years experience in the furniture assembly and service industry. Servicing both residential and commercial customers, our team of qualified tradesmen install and assemble all types of furniture, including wardrobes, bookcases, shelves, cabinets and cupboards. We guarantee high quality in our work and you can count on our expertise for exceptional workmanship.

We understand that furniture assembly can be time-consuming and confusing. Here, we make your project as hassle-free as possible. Give us a call for more details.

Flat pack furniture assembly charges are based on a PER ITEM BASIS for majority of well-known furniture retailers. We require full product details including store of purchase, style name and a brief description to assist us in identifying the item. Should the total assembly cost be below our minimum fee of \$60 inclusive of GST, then a minimum rounding-up factor is applied.

Where car parking is not readily available, the cost of utilising a nearby parking station or on-street metered parking may be added to the cost of your assembly charge

ANCHORING FURNITURE TO WALLS

We carry a variety of wall fasteners for fixing wardrobes, bookcases, cabinets, shelves, etc. to floor, wall and ceiling structures. The cost of providing this specialised service is individually assessed and at an additional charge.

CALL OUT FEES CAN BE INCURRED

Before requesting our services, please ensure all boxes are correctly accounted for. If protective packaging shows evidence of mishandling, tear away packaging in that region and visually inspect for any possible panel damage.

GUARANTEE

We GUARANTEE the quality of our work. From time to time problems will occur and where practical, remedial action will be undertaken to rectify any problems ASAP. If we damage your furniture and cannot make an agreeable repair we will replace the damaged part.

COVERAGE AREAS

Currently we offer a full service for the whole Melbourne metropolitan region.
